### Entrance Requirements:

#### Legal entrance requirements:

The NSC for degree admission or Senior Certificate with matriculation exemption (or equivalent) is required for admission to degree studies in South Africa.

#### College entrance requirements:

In addition to the legal entrance requirements, South African applicants should meet the minimum points for specific programmes. All applicants should meet subject requirements and levels of performance for admission to certain programmes. Also note that the number of applications received by far outnumber the spaces available at University.
